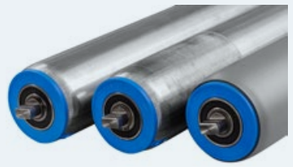
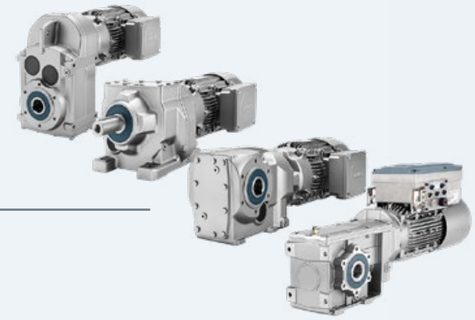
10. Signal lights

11. Rollers and gravity storage systems



1. Electric motors

2. Gearboxes



9. Industrial machinery consumables

7. Automatic data capture

3. Couplings

6. Automation components and switch cabinets

8. Lubricants contamination control

13. Automation services

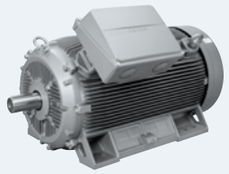
12. Conveyor belts, components and turns

5. Frequency inverters

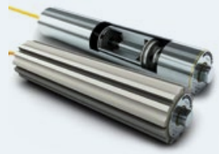
4. Limit switches and components of safety circuits

1. Electric motors

1. Three-phase electric motors, with brake, ATEX



2. Drum type



3. Low center

4. Direct current (DC)

5. Vibrating motors

6. Micro series vibrating motors

2. Gearboxes

1. Worm gear

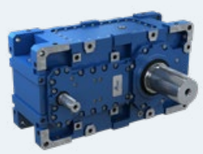
2. Helical gear

3. Helical bevel gear

4. Shaft mounter gear

5. Variators

6. Industrial



7. Planetary

8. Pendular gears

9. Angular

10. Screw jacks

11. Mini series gears

12. Precision gears

These products are kept in our stock.
Possibility to ship them in 1 working day.

As a Motovario Assembly Centre, we can assemble a wide range of gearboxes from our stock.

3. Couplings

1. VIVA

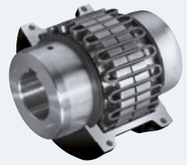
2. N-Eupex

3. Hydrodynamic

4. Torque limiter

5. Lifelign

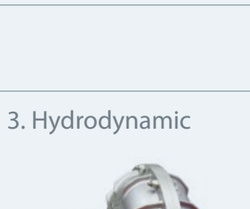
6. Steelflex

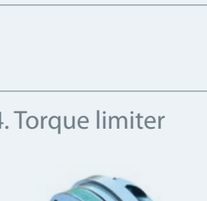


7. Rupex

8. Wrapflex

4. Limit switches and components of safety circuits





5. Frequency inverters

1. Sinus B

2. Sinus M

3. Sinus Penta

4. Sinamics V20

5. Sinamics G120

6. Sinamics S120

6. Automation components and switch cabinets

1. Push buttons, selectors, knobs

2. Programmable logic controller (PLC)

3. Low voltage controlgear controllers

4. Switch cabinets

7. Automatic data capture

1. Sensors and encoders

2. Vision (cameras)

3. Safety light curtains

4. Accessories

8. Lubricants contamination control

1. Moisture filtering breathers

2. Level indicators

3. Oil filter carts

4. Oil transfer containers

9. Industrial machinery consumables

1. Nichrome wire

2. Silicone profiles and sheets

3. PTFE tape and belts

10. Signal lights

11. Rollers and gravity storage systems

12. Conveyor belts, components and turns

13. Automation services:

Automation services:

- PLC programming (S7-1200, 1500, LOGO)
- Frequency inverter configuration
- SCADA, HMI panel visualization programing
- Configuration of various sensors and cameras

Motor and gearbox services:

- Assembly
- Repair
- Modification
- Maintenance

These products are kept in our stock. Possibility to ship them in 1 working day.
